

# Shiloh Hills Neighborhood Council Meeting 7-18-19

## Crime Trends:

Heat map of neighborhood since June 1, 2019

Crime in the area is down from last year. The first week of July 2018 we saw 54 crime cases. In July 2019 we were down 55.56% to 24 crime cases.

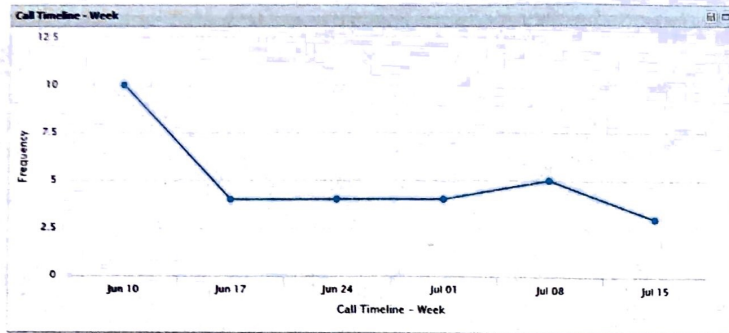

Most common Crime Types types since June 1, 2019

1. Theft - Shoplifting
2. Vehicle Prowl
3. Malicious Mischief
4. Motor Vehicle Theft

## Parks:

Hill n Dale Park has been very quiet. The most CFS for any week since June 1<sup>st</sup> has been 3.

Calls for Service to Friendship Park has decreased 70% since the week of June 10<sup>th</sup>.

## Nuisance Properties:

7700 N Wilding Dr – Complaints of short stay traffic

777 E Magnesium Rd (Old Guardian Building) – Property manager complaints about garbage still being dumped.

10121 N Nevada St – Professional building complaints of transients camping on the lower level, NE side.

Hoerner/Nevada – Complaints of transients camping in vehicles and garbage outside vehicles.

## Crime Prevention Tip:

Vehicle prowling has dropped since last month as the most popular crime type. Shoplifting made the top of the list and businesses in the area will be working on their prevention of theft. We did see a recent trend in people leaving their keys in their vehicles. This allows vehicle theft opportunities that wouldn't normally present themselves. Please lock your vehicles and do not leave keys or any valuables in them. Also, do not leave your vehicle running unattended for any reason.
